

DESCRIPTION

- Excalibur Spider Pirelli MB
- The Excalibur Spider collection: for those who live life in the fast lane. Brimming with racing design codes, these are timepieces that power you to live the life you want. You just have to dare yourself to live it. Ready to feel the thrill?
- Exclusive partnership with Pirelli: pioneer in the world of motorsport performances.
Roger Dubuis and Pirelli are working together to create exclusive straps made of winning motorsport tire rubber. The latter are featuring inlays made of real tire rubber which have won one of the most demanding motorsport competition in the world. In addition to that, the design of the strap displays Pirelli patterns on the inside, reflecting the style and performance of the Italian manufacturer. The result are high-octane watches with Roger Dubuis engines and Pirelli flavor offering a blend of competitive technology.
